

PARKS & RECREATION Scholarship Application Form

All Parks & Recreation Department programs operate on a self-supporting basis, which limits the amount of available aid that we can provide. Financial assistance is only available for programs that are run directly by Parks & Recreation Dept staff. The programs that are eligible for assistance are the Hornets After School Program; Early Release Day Programs, Vacation Week Programs, Winter Basketball, Tennis Lessons and Summer Playground.

Financial assistance is <u>not</u> available for programs where we hire an outside contractor to run the program for us. Assistance is for residents of the Town of Manchester OR children who are attending one of the Manchester-Essex Regional Schools.
